# ***Out-Landish***

*“Ready to meet your challenge”*

**913-301-3196**

***Cindy Shafer, Manager***

*Out-Landish* consists of much of the talent and experience that was formerly known as Cedar Creek Landscapes. With several decades of combined experience, *Out-Landish* is the best solution to your outdoor challenge.

**Fully licensed and insured.**

## ***OUT-LANDISH*** LANDSCAPING

*Out-Landish* offers the expertise and ability to generate creative and unique solutions to your specific challenges.

Brilliant designers will listen to you then combine the specifics of the site into an inspired vision: an original *Duachais* (essence of a place) specific to you and yours. This could include a particular area, a private sanctuary or an entire landscape renovation.

In addition to a premier design staff, *Out-Landish* has one of the most gifted stone masons in the country, capable of natural stone walls, outdoor fireplaces, fire pits, patios, walkways, or water features and more.

*Out-Landish* can provide you with timeless creations or seasonal vistas.
